## Donohue joins Marron & Gildea

Becomes first partner to join firm's co-founders

Aloysius Donohue has joined Marron & Gildea, becoming the first partner to join the firm's two co-founders, Charles Gildea and Peter Marron, in the history of the company, which dates back more than 25 years.

"We have been approached many times over the years with partnership proposals but we never found the perfect fit - until now. We are confident that Al will have an immediate positive impact on our firm. If he is not already the top agent in Ridgewood - he is definitely right up there. Amazingly, he achieved this level of success in less than three years in the business. Al is all about getting results for his clients in an honest and ethical manner and this dovetails perfectly with our philosophy here at Marron & Gildea," said co-founder Peter Marron.

Marron & Gildea has locations in Ho Ho Kus, Ridgewood and Saddle River. Donohue will head up Marron & Gildea's Ridgewood

office while continuing to represent his clients in the purchase and sale of real estate.

"I am incredibly excited to be joining the Marron & Gildea team. Marron & Gildea enjoy a sterling reputation because they hire only the very best agents, they know the market cold and they always treat their clients with respect. The firm demonstrates a commitment to excellence that has been a model for the real estate industry for over 25 years. I look forward to learning a lot from both Chip (Gildea) and Peter (Marron)," said Donohue.

Both co-founders see bringing Donohue on board as a shot of adrenaline into an already successful business. "Al brings a lot to the table including great leadership skills, a thorough understanding of technology, and strong negotiating skills that were honed during his years on Wall Street. The guy just has an unlimited amount of energy, and he is always positive and we

know that can't help but rub off on everyone he comes into contact with. As proof of this, Al brought 4 colleagues with him to Marron & Gildea and they all seem to share his energy and enthusiasm," said co-founder Charles Gildea.

"Marron & Gildea is a highly respected real estate boutique and we have been incredibly successful in the high-end of the market. My plan is to expand Marron & Gildea's incredible service to the entire market. If we can do this, I don't see why we won't be the number one real estate company in Ridgewood within a few years," said Donohue.

A Certified Luxury Home Marketing Specialist, Donohue is a Ridgewood resident with two young children in the Ridgewood school system.
